PRACTICE UPDATE

We are thrilled to introduce several new members of staff to the Practice:

Dr Ruth Guest joined us in April.

Dr Kat Arch joined us in August.

Practice Nurse, **Jacob Hazell**, has begun seeing patients in his clinics.

Please also join us in welcoming **Emily** who join the Medicine Management Team.

WHAT DID WE DO IN AUGUST?

Our Practice Support Team booked **2367 appointments** for patients.

Our clinical team took **2135 blood tests**.

The Data Quality Team received **1542 letters** for patients.

The Medicines Management Team issued **2367 prescriptions**.

207 patients Did Not Attend their appointment.

 **FLU SEASON:** 

The turn in the weather is a reminder that flu season is inevitably on its way.

We are now contacting patients who are eligible for their flu jab to book an appointment with us.:

- over 65 years of age
- under 65 and immunosuppressed
- aged 2-3 years old

YOUR HEALTH MATTERS

Healthier You is a free NHS Diabetes Prevention Programme providing tailored, personalised support to reduce your risk of developing type 2 diabetes. The 13-session programme is available both as a face-to-face group service and as a digital service.
