blood tests.

The Data Quality Team received
1736 letters for patients.

The Medicines Management
Team issued **4152 prescrip-**
tions.

325 patients Did Not Attend
their appointment.

Friends and Family Feedback:

Quick to respond and got me an appointment the same day.

The nurse was very knowledgeable in what she was telling me and I felt at
ease.

Brilliant nurse and doctor sympathetic and helpful.

Fast, polite and very efficient.
